possible *to* set up the factory in a phased manner. The production of one lakh lines a year of C-DOT design of Rural Automatic Exchanges has been taken Up. The production hag commenced. This is to be followed by production of one lakh lines a year of 512-port hain exchanges.

P»we$_r$ crisi$_s$ in States

650. SHRI PARVATHANENI UP-PENDBA; Will the Minister of ENERGY be pleased to state:

(a) whether several States are experiencing serious power crisis;

(b) if so, what efforts are being made by Union Government to persuade the States having surplus power to share the same with States which are deficit in power?

THE MINISTER OF STATE IN THE DEPARTMENT OF POWER IN THE MINISTRY OF ENERGY (SHRIMATI SUSHILA ROHATGI): (a:) During 19.87-86, various States faced power shortages of varying dagrees as per details given in the eclosed statement (See below)

(b) AH efforts are made to supply power to the deficit States, to the extent possible, by way of assistance from the Central Sector St-tions in the region and by transfer of surplus power from the neigh-"bouring systems. The regional power grids in the North, West, South, East and North-eastern, regions facilities transfer of power from surplus to deficit areas. During the year 1987-88 considerable interregional transfer of power has been place from surplus areas to deficit areas.
